

# PREPARING FOR YOUR TREATMENT

You may have questions for your Healthcare Team about WINREVAIR. Now's the time to ask. There is space below to write down information about WINREVAIR that you discussed with your Healthcare Team and want to remember.

## Your medicine:

As you and your doctor discuss how you will be taking WINREVAIR, you can use this space to take notes. You can also refer to the Patient Information at [WINREVAIR.com](http://WINREVAIR.com) to learn more about your medicine.

**Reviewing instructions for taking your medicine:**

There are a few ways to review the instructions for taking your medicine after your Healthcare Team discusses it with you today:

- You will receive Instructions for Use with each package of medicine.
- You can find those same instructions at WINREVAIR.com.

Additional Patient Information about WINREVAIR is also included with your medicine, and available at WINREVAIR.com. Please review the information provided.

If you have questions about your medicine, be sure to ask your Healthcare Team.

**Below is a space where you can record other important information:**

**Additional Appointments:**

In addition to your WINREVAIR injections, some appointments may be needed to help your Healthcare Team guide your treatment. Take a moment to make a plan with your Healthcare Team, including appointments if they are needed. Write your plan here:
